

MUHAMMAD NASIR

Entrepreneur, Founder & Program Director of NGO

PROFILE

Muhammad Nasir, a results-driven entrepreneur from Pakistan. I bring a unique blend of business acumen and ethical understanding to my professional endeavors. I am deeply passionate about community development, with a particular focus on empowering underprivileged children. My commitment to creating positive change has led me to actively engage in philanthropic endeavors, making a significant impact on others. Other than that love travelling. Eager to collaborate and create impact worldwide.
